Dear Placing Agent or Incoming Resident;

The following is a list of documents or items requested by Valley Lake Boy's Home Inc., prior to, or in accompaniment with the resident, upon arrival. Please advise the potential resident in regard to property that they may or may not bring with them.

Clothing

Acceptable clothing is needed to go to school, and to recreate (indoors & out).

In the summer months, one needs clothes to work outdoors. The youth will need work boots, so if he has some, he should bring them.

Clothing to wear in the gym.

We do go swimming in the summertime, so swim trunks are appropriate.

During the winter months, we require that each resident has a winter jacket, gloves and a hat. Winter Boots are encouraged.

Clothing **NOT** allowed at Valley Lake, is anything that contains any socially unacceptable writing or pictures, or that possesses any reference to tobacco, alcohol or drugs. No hats, slippers with soles or sandals.

Other Items

- A resident may want to bring some money for the canteen, but this is not required.
- A resident may bring "canteen" type items to have in his cubby rather than buying from our canteen, when eligible. Pop, candy, crackers. All in individual sizes. (No 2 liters, or large bags)
- There is no need for radio, CD's, downloaded music of any kind, or any other electronic items.
- No aerosol items, candles, or small pets
- Copy of Birth Certificate and Social Security Card (Summer Work Program)

If there are any other questions, please feel free to call and ask prior to transport.

Sincerely,
Joanna Etzler
Executive Director
